PRICE: \$36,500

CERTIFIED PRE-OWNED STANDARD VERTICAL PANEL SAW

Features include:

- Swiss made quality for accuracy and durability!
- Very stable, all welded steel frame, suitable for free-standing or wall-mount installation.
- Automatic, *mechanically shifting* support grid with full support for thin or small material.
- Automatic locking of the heavy-duty panel support rollers when cutting cycle is started.
- Convenient, sturdy two-section mid-shelf with moveable aluminum fingers allows for comfortable working of small parts and ability to stage material on one side of the saw.
- Digital measuring is **standard** with fine adjustment, easy reference setting, push-button changeover from rollers to mid-shelf to strip cutting, and selectable display increments.
- Second measuring channel with three auxiliary stops for repeat cuts.
- TRK dust collection system exceeds European standards; **note: requires external collector.**
- Vertical cutting stations 40 inches on center (1 meter optional)
- Automatic recognition and locking of beam at cutting stations; push-button unlocking.
- Control panel displays operating hours and faults (language is selectable).
- 7 1/2 hp, 220/440V, 3-Phase motor with electric brake.
- 300 mm (11-7/8") HFG carbide saw blade.
- Template bar with six stops for setting typical horizontal cuts.
- Automatic saw travel with variable feed rate 10-25m/min. (33-82ft./min.).
- Selectable sawing cycle (cut and return, or cut and stop).
- Panel end sensor to save time (instead of having to travel to end of saw).

Specifications:

Cut capacities: 14' 1"L, 5' 6" Hvert, 5'- 1/2" Hhoriz; Depth 3-1/8" (80mm)

Machine dimensions: 18' 5"L, 8' 1" H, 4' 11" D (free standing)

Weights (approx.): 1800 lbs. net, (approximately 2900 lbs shipping)

Year: 2007

Serial#: 37980

Requirements:

Electrical: 3-phase, 220V (20 Amp) or 440 V/10 Amp service; right side of frame

Dust Collection: 1500cfm, 100mm dia. (x2) connection; choice of side

Compression Air: 100psi, 3cfm (air dryer strongly recommended); right side of frame
